

To whom it may concern

Suman and I purchased our home in March 2008 and Madhu Khemani helped us purchase it.

We had been looking to purchase a home from 2006 and Madhu Khemani has been patient all the way.

We wrote about 12 other offers before finally deciding and purchasing our home.

She was always helpful and would find all the answers to questions asked.

Madhu, Thank you for all your hard work and helping us find our dream home.
