Hello Madhu,

I want to thank you for how quickly you were able to find a mobile home for me in Buelton, CA. Considering the time constraints we had to work with you were very efficient in finding a suitable home for me to live in. You were very tenacious in the way you kept after the title company to make this happen in a very short period of time.

I would recommend you to anyone that is looking for or selling a home.

Sincerely,

Keith McKay
