To whom it may concern,

Madhu Khemani is a great real estate agent. She was my family's agent in 2008, 2012, and now. She helps us buy and sell our property in Flamingo Mobile Home Park and in Rancho Goleta. She keeps us well informed and acts in a timely manner. She really fights hard for our benefits and is always ready to go extra miles. She is very professional and friendly. She takes off lots of stress out of doing paper work, and makes purchasing and selling home a pleasant experience. We have been very pleased with her service; and we strongly recommend her for your real estate needs.

Thanks so much, Madhu!
