Madhu did an outstanding job for me. Madhu is very thorough, does her homework, and provided us with a thorough review of the Goleta real estate market. In addition, she is one of the nicest agents we have ever dealt with.

I very much appreciated Madhu's handling the home buyer process for me. She handled the inspections and checked on house once seller's vacated. I am so glad we picked California Prudential Team. Madhu was awesome. I felt welcome and respected.

Thanks,
